All the above named products can be ordered from www.worldwidehealthcenter.net

* The **Natural Antibiotics** are only taken when there is an active infection such as a cold, flu or other infection. Take for 7 days **after** symptom withdrawal to make certain that all the bacteria have cleared from the body.

- The **Main Protocol** is taken for a full **3 months**.
- Two weeks after beginning the **Candida Protocol** the **SANUM** remedies must be begun (see separate sheet) so please book an appointment for this now.
