MAGNESIUM MALATE

90
Capsules

Food Supplement

A COMBINATION OF MALIC ACID AND
MAGNESIUM KNOWN TO INCREASE
ABSORBABILITY.

Malic acid is a naturally occurring substance that found in fruits such as oranges and apples that helps in the production of energy during both aerobic and anaerobic activities. It is present in most cells in the body and is an important component of numerous enzymes key to ATP synthesis and energy production.

Magnesium is one of the most abundant minerals found in the body and is an essential mineral in over 300 enzymatic reactions in metabolism, including Krebs cycle, energy storage, the breakdown of fatty acids, protein synthesis, DNA metabolism, neurotransmitter activity and hormone regulation.

Together, magnesium and malic acid provide many health-related benefits.

PRODUCT INFORMATION

Each capsule provides:

Magnesium – 45 mg

Ingredients: capsule shell: hydroxypropyl methylcellulose (HPMC)(vegetarian), Magnesium malate, bulking agent: brown rice flour, anti-caking agent: magnesium stearate (magnesium salts of fatty acids) (vegetable source)
